Direct Export: Navitas MultiSearch

From the results page select Details & Actions and then Send To.

In the drop down menu, select either EndNote Web or Export RIS (for Export to the EndNote Program).

Select Ok from the Import to Citation Manager window.

You can also export items from your eShelf. Select Sign in and then eShelf.

From the eShelf tab select one or more references and from the drop down menu select Push to EndNote Web or Push to RIS (for Export to the EndNote Program).

Select Go.

Select Ok from the Import to Citation Manager window.
**Be sure to check all references exported and edit as needed**
